PARTYBOXENCORE

Portable party speaker with 100W powerful sound, built-in dynamic light show, included digital wireless mic, and splash proof design.

Features and Benefits

Amazing JBL Original Pro Sound

Nothing beats amazing JBL Original Pro Sound with deep bass.

A light show that syncs to the beat

JBL's PartyBox light show makes your party shine with ring and club lights and rockin' strobe effects that sync to the beat of your music for an awesomely immersive audiovisual experience.

10 hours of play time

Power the party all day or all night. With 10 hours of play time and a built-in rechargeable battery, the beat will go on (and on)!

IPX4 splash proof

From dancing on the beach to karaoke by the pool, the JBL PartyBox Encore is IPX4 splash proof so you never have to worry about the party getting too wet or wild.

Digital wireless mic

Step into the spotlight. The JBL PartyBox Encore includes one premium, die-cast zinc digital wireless microphone perfectly optimized for karaoke. It features low latency channel design along with adjustable bass, echo, and treble controls to enrich the vocal performances of anyone who wants to sing along. The digital wireless mic even comes with replaceable AA batteries so you can party all day and rock all night.

Pair your speakers for even bigger sound

One JBL PartyBox not enough? Pair two speakers wirelessly with True Wireless Stereo (TWS) technology for an even bigger, bolder sound.

PartyBox app

The JBL PartyBox app makes it easier than ever to control your music, update settings, and customize the colors of your lightshow for the perfect party vibe.

Multisource playback

Stream your tunes wirelessly via Bluetooth, connect a USB stick, or plug in with an aux cable. The JBL PartyBox Encore offers ultimate adaptability for your music.
